## GRAND LIFE POOL

Year: 1966

Pool area: 980 m<sup>2</sup>

**Natural images** 

TEAM 9030877944

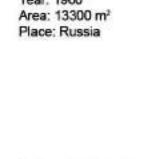

Place: Portugal

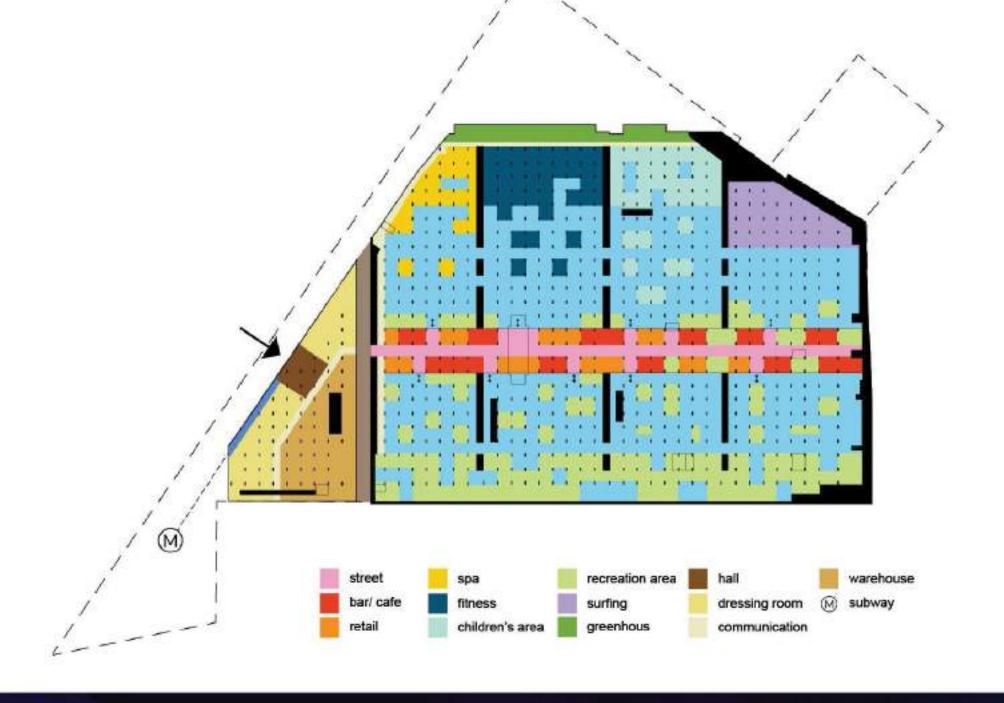

National Stadium Aquatics Center Architects: Iglesis Prat Arquitectos

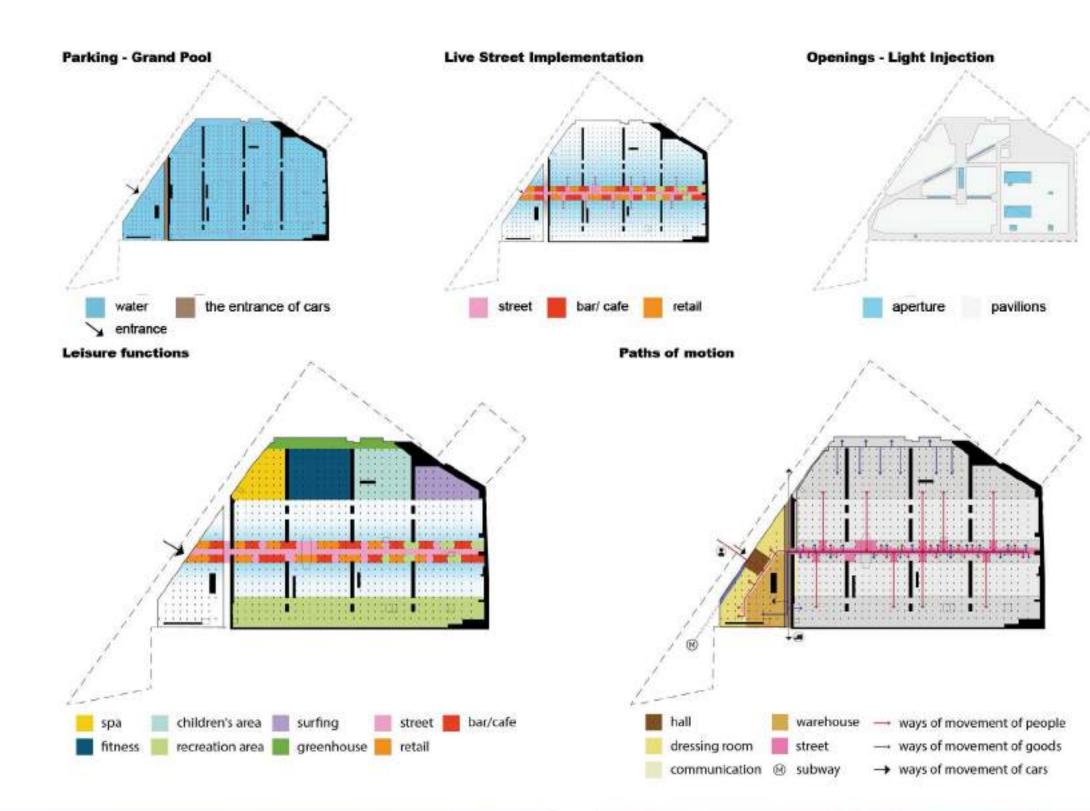

Year: 2013

Place: Chile

Pool area: 900 m<sup>2</sup>

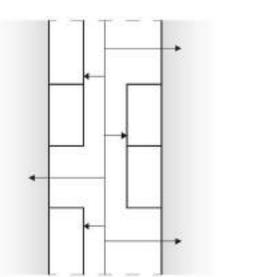

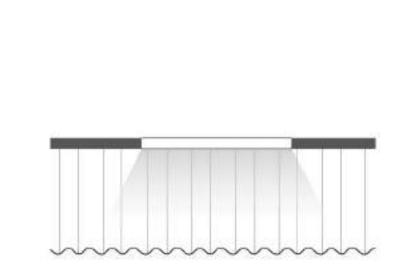

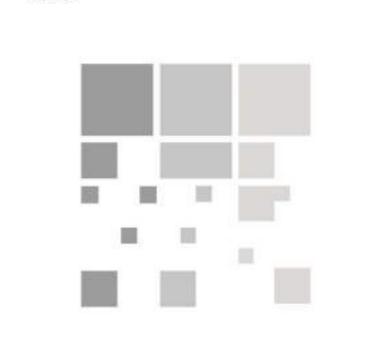

01

**Principles** Above the pool there is an «entertainment» street, with cafes, equipment rentals, boutiques, a bar at night and an event site.

Light lantems will help the sunlight to pass into the pool, healing it

In the pool, functions can overlap, creating an interesting play of

The variable depth of the bottom makes the pool more accessible

to people with different physical abilities
