Press release

Infra Park (Indigo Group) enters into partnership with MOBIMO to accelerate its development in Switzerland

Pursuant to the strategy announced in March 2018 consisting in taking part in market consolidation in countries where the Group could obtain a leading or co-leading position, the Indigo Group reinforces its position in Switzerland by entering into a partnership with MOBIMO, a leader in the real estate market in this country, of which the headquarter is based in Küsnacht.

The joint subsidiary, Indigo Suisse, equally owned, operates since the beginning of September its first car park, Parking du Centre in Lausanne, in the Flon district and aims to develop new projects in Switzerland.

The Group therefore confirms its positioning as a privileged partner of municipalities for parking and individual mobility solutions in countries where it holds a leading or co-leading position.
